SUBJECT :- Request for lecture notes and Updates

Dear Professor,

I hope you are doing well. I was unable to attend the recent lectures due to illness and would like to catch up on the material that was covered during my absence.

Could you please share the lecture notes or slideshow from the last session? I would also be grateful if you could let me know whether there were any important announcements, assignment instructions, or updates that I may have missed.

I will make sure to review the work and material and complete any required work at the earliest. Please let me know if there is anything else I should take note of.

Thank You for your time and understanding.

Sincere Regards,

Harshith Varma.

B.tech Student.

SUBJECT :- Progress Update on Viwentiaa 2026 Preparations

Dear Professor,

I hope you are doing well. I am writing to Thequest a meeting to discuss my project proposal before Viwentiaa 2026.

So far, the organizing comitte has completed the initial planning, finalized several event ideas, and begun coordinating with the respective teams. We have also worked on the event schedule, participant registrations, publicity, and the requirements for the various technical events.

At the present, we are focusing on finalizing the remaining event logistics, coordinating with the technical and hospitality teams, and ensuring that all necessary resources are arranged before the event. We are also addressing a few coordination-related challenges to ensure that the activities proceed smoothly.

Thank you for your guidance and support. Please let me know if there is additional tasks or areas that you would like to prioritize.

Kind Regards,
